

The effective, productive and ergonomic way to make a dust free sweeping

FLOORTEC 760 is a walk-behind sweeper which will let you take on your cleaning tasks with ease and efficiency, cleaning up dry debris, and providing dust free removal of even the smallest particles in less time. Available in a battery version for in- and outdoor sweeping, as well as in a petrol version for outdoor use, FLOORTEC 760 is the attractive choice for gas stations, car dealers, industry, warehouses and farmers. FLOORTEC 760 introduces hands-on benefits which will save valuable time, improve the quality of your cleaning, and increase productivity. The FLOORTEC 760 is an effective dust free sweeper that will make a significant impact on how productive and efficient sweeping of dry debris can be performed, providing cleaning personnel with time-saving, easy-to-use benefits.

All actions needed to control and maneuver this new walk-behind sweeper can be overviewed and carried out from operator position. This includes side broom control on the ergonomic handlebar. Disposal of the debris has also been made quicker and more comfortable for the user with the transportable hopper on wheels.

FLOORTEC 760 lets the user handle the daily cleaning tasks with ease and remove even the smallest particles in less time.

Resim, gerçek modelden farklılık gösterebilir.

- One touch sweeping control
- All functions start automatically when brooms are lowered and the machine is activated. Means less need for operator training.
- No tools needed for main or side broom and filter removal and easy access to all components makes for fast and easy maintenance and service.
- Robust ergonomic and foldable handle.
- Main broom can easily be adjusted just by turning a nob.
- Equipped with an integrated onboard charger as standard.
- Efficient filter shaker system reduces the need for additional cleaning of the filter.
